My Day

Tu du tutuu hu

Tu duu hu

Uh uuh

Heh hey

Hhn!

Give thanks for life

Give thanks for life

Chineyne, Chineyne

Hhn!

Today mi rise like the sunrise

Mi bright and mi upright

No one can bruk my vibes

And mi no care who waan fight

And who waan criticize

Am on a higher height

So you can say what you want to

And do what you want to

It's no concern to me

Because mi have mi own vision

Mi deh pon mi own mission

To rule my destiny

Oh it's my day, to do anything I want to
It's my time, and I'll use it any way I want to
It's my life and I'm responsible for every action
It's all mine, my day, my time, my life

I beg you easy, no gimmi some, reason no
And don't invade my space
Am in a different place, different phase
Moving on my way
So if you feel like a champion
Then nothing can go wrong
This one is your song, *hey*
Put away your troubles
Put away your worries
Help me sing along

Oh it's my day, to do anything I want to
It's my time, and I'll use it any way I want to
It's my life and I'm responsible for every action
It's all mine, my day, my time, my life

Oh yeah

Feeling alive
feeling a vibe
And nothing can stop me
I don't care what they think
Or what they say about me

Look out world, here we come
Up and running

And all I'm saying is

It's my day, to do anything I want to
It's my time, and I'll use it any way I want to
It's my life and I'm responsible for every action
It's all mine, my day, my time, my life

Chineney

Give thanks for life
Give thanks for life

Chineney, Chineney
ooh hoy

Give thanks for life
Give thanks of my life

Can you sing it, ooh!
Oh y-e-a-h!

Tu du tutuu hu
Tu duu hu.....
