

Buju Banton

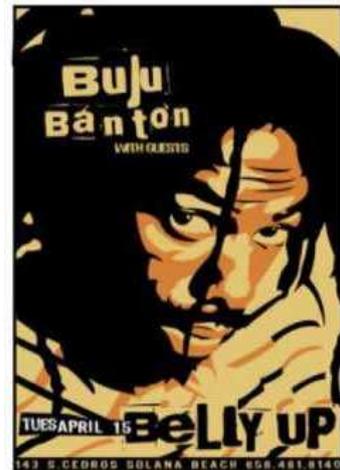

Destiny

There was good & evil, we chose good
Why raise time of the most high
Ye sons of men

The rich man's wealth is in the city
Yay
Destruction of the poor is his poverty
Lord
Destruction of your soul is vanity
Yay, eh eeh, yay
Do you hear?
I and I, I wanna rule my destiny.
Yay
I and I, I wanna rule my destiny.

Oh uoh ooh aah ah!

Destiny!
Mama look from when you call me
Destiny!
Mama look from when you calling
Eh eh

I wanna rule my destiny
Yay, yay
Oh help I plead
Jah Jah mek mi rule my destiny.

Uh iih Lord

I've been blessed I've been touch
I love Jah so much
They keep fighting me I'm not giving up
May the realms of Zion fill my spiritual cup
Wisdom overstanding must never be too much
Give I protection Day and night
From even the pestilence that war gets at daylight

Destiny!
Mama look from when you calling
Destiny!
Mama look from when you calling
Eh eeh

I wanna rule my destiny
Yay, oh
Help I plead
Jah Jah mek mi rule my destiny.

Oh uh ooy

Cast away their cords from us, Lord.
You have them in the region in the valley of decision
Restraining the heathen with a rod of iron
You know not the destiny of a next man
Why hold him set him free for too long

I, I wanna rule my destiny
Oh yay,
I and I really wanna rule my destiny

Hear me call call call

Destiny!
Mama look from when you call him
Destiny!
Mama look from when you calling
I wanna rule my destiny
Oh eh,
Help I plead
Really wanna rule my destiny.

Where else could I bound

My destination is homeward bound
Though forces try to hold I down
Breaking chains has become the norm
I know I must get through no matter what a gwaan

Destiny!
Mama look from when you calling
Destiny!
Mama look from when you calling
Eh eeh
I wanna rule my destiny
Lord

And I tell you once more

The rich man's wealth is in the city
Ooh
Destruction of the poor is our poverty
Yay
Destruction of your soul is vanity
Woooooy
Do you hear
Do you hear

Oh uh ooh aah
Destiny!
